Dear Ms. Gee (and Mr. Bellner),

As you know this office represents Pro-Life San Francisco.

As I mentioned to Mr. Bellner today, my clients have some new areas of public records request which are contained within the attached letter. I wish to draw your attention to the

term we have used in the letter “protocols and procedures” – if UCSF does not use this term or something similar to that, I ask that one of you contact me to discuss what would be the proper term / title for this type of document(s).

Thank you,

Craig Alexander
